

Basic Writing Modul 7

#A.) Simple past with "Be" → (was/were)

→ Digunakan untuk menceritakan kondisi, identitas / lokasi di MASA LALU.

① pola Tunggal (I, he, she, it)

Gunakan kata hubung "was"

ex : - I was handsome twenty years ago

- He was a policeman

② pola jamak (you, we, they)

Gunakan kata hubung "were"

ex : - You were early to school yesterday

- We were not nurses

③ Gunakan penanda waktu yg spesifik (Yesterday, last week / month, Two years ago)

* Rumus pemakaian simple past with "be"

(Bentuk positif, negatif, dan tanya)

Jenis kalimat	Rumus subjek tunggal (I, he, she, it, nama orang)	Rumus subjek jamak (you, we, they)
① positif (+)	S + was + complement	S + were + complement
② Negatif (-)	S + was + <u>not</u> + complement wasn't	S + were + <u>not</u> + complement weren't
③ Tanya (?)	Was + S + complement?	Were + S + complement?

JOYKO® 30 Lines, 6 mm

Catatan complement / pelengkap :

→ complement diatas bisa berupa kata sifat (adjective), kata benda (noun), keterangan tempat / waktu (adverb).

* Cara pemakaian dan contoh kalimat

→ pola ini khusus untuk menyatakan fakta, status, ciri fisik, profesi atau lokasi di masa lalu.

① pemakaian dgn kata sifat (adjective)

→ digunakan untuk menggambarkan kondisi / sifat di masa lalu.

ex : (+) she was sick yesterday

(-) she was not sick yesterday

(?) was she sick yesterday ?

② pemakaian dgn kata benda (noun)

→ digunakan untuk menyebutkan profesi, status / identitas di masa lalu.

ex : (+) They were diligent students (mereka dulu murid yg rajin).

(-) They were not diligent students

(?) were they diligent students ?

③ pemakaian dgn keterangan tempat (adverb of place)

→ digunakan untuk memberi tahu keberadaan / lokasi di masa lalu.

ex : (+) I was at home last night (aku di rumah semalam)

(-) I was not at home last night

(?) were you at home last night ?

→ subjek "I" saat ditanya berubah "you" dan jadi pakai "were".

* Cara menjawab kalimat tanya

• was he a doctor ? Yes, he was / no, he wasn't

• were they late ? Yes, they were / no, they weren't

B.) Simple past tense

- Digunakan untuk menyatakan kejadian masa lalu
- kejadian tersebut sudah selesai dilakukan
- keterangan waktu : yesterday, last night, ago

* Rumus simple past tense

Jenis kalimat	Rumusnya	contoh
Positif (+)	S + V ₂ + O/adverb	He came to school two days ago
Negatif (-)	S + did not + V ₁	We didn't work for that factory last year.
Tanya (?)	Did + S + V ₁	Did they call you last night?

* perubahan kata kerja (past verbs)

- Verb 2 dibagi menjadi 2 jenis :

(1.) Regular verbs (Beraturan)

- Tinggal ditambah akhiran -ed / -d

ex : cook → cooked

study → studied

(2.) Irregular verbs (tidak beraturan)

- Bentuk kata berubah sepenuhnya

ex : go → went

see → saw

catatan : kalimat negatif (-) dan tanya (?) tetap menggunakan V₁ karena, sudah ada kata bantu did / didn't
→ kata did sendiri sudah merupakan V₂ dari do, sehingga kata kerja utamanya kembali ke bentuk dasar (V₁)

No

Date

B.) Past continuous tense

→ untuk menyatakan kejadian yg sedang berlangsung (mengandung kata "lagi")

* Rumus past continuous tense

Jenis kalimat	Rumusnya	Contoh
positif (+)	S + was/were + V-ing	I was sleeping (aku lagi tidur)
Negatif (-)	S + was/were + not + V-ing	I was not sleeping
Tanya (?)	was/were + S + V-ing	Were you sleeping?

* Hubungan dengan simple past tense (kejadian dipotong / disela)

→ kata kerja lagi berjalan disela kejadian lain (simple past / V2)

→ polanya (A): (S + was/were + V-ing) + when + (S + V2)

ex: (I was watching TV) when (my mother called)

→ polanya (B): (when + (S + V2), (S + was/were + V-ing))

ex: when (he came), (I was reading the book)

* Hubungan 2 kejadian yg "sama2 lagi berlangsung"

→ Gunakan kata hubung while / when

→ polanya: while / when + (S1 + was/were + V-ing), (S2 + was/were + V-ing)

ex: while (she was eating lunch), (her classmates were playing)

* Rumus Rencana yg gagal (was / were going to)

→ Digunakan untuk menceritakan rencana dimasa lalu yg pada kenyataannya tidak terjadi / gagal.

→ polanya : s + was / were + going to + V₁

ex : We were going to name the baby tom, but it was a girl.
(kita tadinya mau menamai bayi itu tom ..)

• positif (+) : s + was / were + going to + V₁

• Negatif (-) : s + was / were + not + going to + V₁

ex : I was not going to eat dinner, but my mom cooked my favorite food.

(Tadinya aku gak berniat makan malam ...)

Rumus dgn but :

• positif (+) : (s + was / were + going to + V₁) + But + (s + V₂)

• Negatif (-) : (s + was / were + not + going to + V₁) + But + (s + V₂)

• Tanya (?) : Was / were + s + going to + V₁ ?

ex : Were you going to call me last night ?

(apakah kamu tadinya mau nelpen aku semalam ?)

#. C.) Quantifiers

→ kata yg menunjukkan jumlah suatu benda (Noun)

(1.) Much & little : Digunakan untuk benda yg tidak dapat dihitungkan
(as : cairan, waktu, ex : much time, little money.
uang, lemak.)

(2.) Many & few : untuk benda yg dapat dihitungkan (bisa dihitungkan dgn jari, as : buku, orang, mobil) ex : many books, few people

(3.) A lot of / Lots of / plenty of : untuk benda yg tidak dapat dihitungkan dan dapat dihitungkan (jamak) .

→ kata a lot of : Harus diikuti kata benda.

ex : a lot of rice , lots of luck , plenty of time

→ jika Noun di depan maka menjadi "a lot"

ex : I eat food a lot .
noun

(4) plenty : lebih dari cukup (more than enough).

→ diikuti noun.

ex : I have plenty of time (aku punya waktu yg sangat banyak)

(5) Aturan jenis kalimat (positif, Negatif & Tanya)

• Aturan Many & Much : kalimat negatif & interrogative (tanya).

ex : Do you know many people around here ?

I did not have much money .

→ Rumus nya : (-) S + Do/Does/did + not + V + many/much + noun

(?) Do/Does/did + S + V + many/much + noun ?

• Aturan A lot of : bisa dikalimat (-) , tapi lebih sering kalimat (+)

ex : (+) I eat a lot of food

(-) I did not have a lot of money .

(6) Little & few (tanpa a)

→ makna negatif (-)

→ jumlah benda tersebut sangat sedikit / hampir tidak ada.

ex : she is very lonely because she has few friends .

(7) A Little & A few

→ makna positif (+)

→ jumlah sedikit tetapi masih ada.

ex : she is never lonely because she has a few friends

Activity 2

A.) used to & Be used to

① used to (masa lalu & Berulang kali)

- untuk menyatakan kebiasaan masa lalu yg berulang kali
- kegiatan tersebut sudah tidak dilakukan sekarang.
- menyatakan situasi / fakta masa lalu yg benar.
- situasi tersebut sudah berubah sekarang.

• Rumus kalimat :

* kalimat dgn verb : S + used to + Vi

ex : I used to play in that house

(dulu saya sering bermain di rumah itu)

* kalimat tanpa verb : S + used to + be + adjective / noun / ket. tempat

ex : He used to be a policeman.

(Dia dulu seorang polisi)

* kalimat tanya (?) : Did + S + used to + Vi ?

Note : kata used berubah "use" (tanpa d) setelah kata Did.

ex : Did ~~they~~ use to work hard ?

(apakah dulu mereka sering bekerja keras ?)

② Be used to (Terbiasa dengan)

- menyatakan bahwa sesuatu sudah terbiasa / menjadi kebiasaan, dalam waktu lama.

• Rumus kalimat :

* Dengan verb : S + to be (am / is / are) + used to + present verb + ing

ex : I am used to playing in that house

(aku terbiasa bermain di rumah itu)

* tanpa verb : S + to be + used to + be + adjective / noun / adverb

ex : He is used to be a policeman

(sekarang dia sudah terbiasa menjadi polisi)

* kalimat tanya (?) : To be (am / is / are) + s + used to + V-ing

ex : are they used to working hard ?

note : berbeda dg masa lalu , kata "used" tetap memakai "D"
dan tidak berubah .

Tambahan : Get used to

→ menyatakan suatu kejadian yg sedang dalam proses menjadi kebiasaan (adaptasi) .

Rumusnya :

S + get / getting used to + V-ing / noun

ex : Reni is still getting used to sleeping during the day .

(Reni masih membiasakan diri untuk tidur di siang hari)

Note :

• pakai 'get' → untuk kalimat simple present / future

→ kata kuncinya ditemani kata will , can , must .

ex : You will get used to this coffee .

(kamu nanti akan menjadi terbiasa ...)

• pakai 'getting' → untuk kalimat berbentuk present continuous .

→ kata kuncinya wajib ada to be sebelum getting .

ex : I am getting used to this coffee .

(saya sedang terbiasa dgn kopi ini)

perbedaan utama used to vs Be used to

Ciri pembeda	used to (masalalu)	Be used to (sekarang)
To be :	Tidak ada To be	Wajib pakai <u>to be</u> (am/is/are)
Bentuk Verb :	V ₁	V-ing
Makna :	Dulu sering dilakukan, sekarang tidak lagi.	sekarang sudah biasa dilakukan.

B.) Relative clause

→ kalimat penjelas yg berubah 2

→ adalah satu rombongan kalimat utuh.

ex: The student who loves playing guitar is my brother
yg suka bermain gitar

- who & whom : digunakan untuk mengganti orang.
- which : untuk mengganti kata benda
- that : bisa untuk keduanya.
