1. Adverb of Manner (Aturan Pembentukan)

Adverb adalah kata keterangan yang menjelaskan kata kerja (verb), kata sifat (adjective), atau kata keterangan lainnya [cite: 63]. Adverb terbagi menjadi 3 jenis utama: *Adverb of Manner, Time, dan Place* [cite: 63].

Aturan Perubahan Kata Sifat (Adjective) → Adverb of Manner (-ly):

- Akhiran **-ic** → ditambah **-ally** (*dramatic* → *dramatically*) [cite: 63].
- Akhiran **-le** didahului konsonan → huruf 'e' berubah jadi 'y' (*favorable* → *favorably*) [cite: 63].
- Akhiran **-le** didahului vokal → tidak berubah/ditambah **-ly** (*agile* → *agilely*) [cite: 63].
- Akhiran **-ll** → cukup ditambah **-y** (*dull* → *dully*) [cite: 63].
- Akhiran **-ue** → huruf 'e' dihilangkan & ditambah **-ly** (*due* → *duly*) [cite: 63].
- Akhiran **-y** didahului konsonan → 'y' berubah jadi 'i' sebelum **-ly** (*busy* → *busily*) [cite: 63]. (Kecuali: *shy* → *shyly*, *sly* → *slyly*) [cite: 63].
- Akhiran **-y** didahului vokal → langsung ditambah **-ly** (*coy* → *coyly*) [cite: 63]. (Pengecualian: *gay* → *gaily*) [cite: 63].
