

Future Activities & Writing Preferences

Comprehensive Grammar Guide: Simple Future, Quantifiers, Modal Verbs, & Stating Preferences

LEARNING ACTIVITY 1

Writing Future Activities

1. Present Continuous for Future Plans

Digunakan untuk menyatakan kegiatan/peristiwa yang sedang berlangsung saat ini atau perencanaan kegiatan pasti di masa mendatang [cite: 54].

- (+) Subject + am/is/are + V-ing
- (-) Subject + am/is/are + not + V-ing
- (?) Am/Is/Are + Subject + V-ing? [cite: 54]

Contoh: *I am sitting / Are you sleeping? / I am not standing* [cite: 54].

2. Simple Future: Will vs Be Going To

Digunakan untuk membicarakan aktivitas atau keadaan yang akan terjadi di masa depan [cite: 54].

Aspek Perbandingan	Will (+ V1)	Be Going To (am/is/are + going to + V1)
Fungsi Utama	Kemauan (willingness), niat spontan (intention), dan perkiraan/prediksi [cite: 54].	Rencana, niat, atau keputusan yang sudah dibuat sebelumnya [cite: 54].
Kalimat Positif (+)	He will stay at home tomorrow. [cite: 54]	He is going to stay at home tomorrow. [cite: 54]
Kalimat Negatif (-)	I will not (won't) stay at home. [cite: 54]	I am not going to stay at home. [cite: 54]
Kalimat Tanya (?)	Will he stay at home tomorrow? [cite: 54]	Is he going to stay at home tomorrow? [cite: 54]

Aturan Penting: Setelah kata *will* maupun *be going to*, kata kerja selalu menggunakan kata kerja bentuk dasar (Verb 1) [cite: 54].

LEARNING ACTIVITY 2

Quantifiers, Modal Verbs, & Stating Preferences

1. Quantifiers (A Few, Few, A Little, Little)

Perbedaan quantifiers ditentukan oleh jenis kata benda yang mengikutinya: *Countable Noun* (bisa dihitung) atau *Uncountable Noun* (tidak bisa dihitung) [cite: 54].

Countable Nouns (Dapat Dihitung)

- **A Few:** Jumlah sedikit tapi ada, bermakna *positif* [cite: 54].
She has a few apples. (Masih ada beberapa) [cite: 54].
- **Few:** Sangat sedikit, tidak cukup, bermakna *negatif* [cite: 54].
She has few apples. (Dianggap tidak cukup) [cite: 54].

Uncountable Nouns (Tidak Dapat Dihitung)

- **A Little:** Jumlah sedikit, cukup, bermakna *positif* [cite: 54].
She has a little breakfast. (Ada sedikit makanan) [cite: 54].
- **Little:** Sangat sedikit, kurang, bermakna *negatif* [cite: 54].
She has little breakfast. (Sangat sedikit/kurang) [cite: 54].

2. Modal Verbs (Will, Would, Can, Could, Be Able To)

Modal verbs diikuti kata kerja bentuk dasar (Verb 1) tanpa imbuhan -s / -es [cite: 54]. (Contoh benar: *She can swim*, bukan *She can swims*) [cite: 54].

Modal Verb	Fokus Penggunaan	Contoh Kalimat
Will	Willingness (kemauan), Intention (niat), Prediction (prediksi specific/timeless/habitual) [cite: 54].	He will stay at home [cite: 54].
Would	Kemauan lebih sopan, insistence (desakan), kebiasaan masa lalu, situasi hipotetis, kemungkinan, setelah wish [cite: 54].	I would like to stay [cite: 54].
Can	Kemampuan/kemungkinan masa sekarang (present ability), permintaan informal, izin (permission) [cite: 54].	She can drive a car / Can you be quiet? [cite: 54]
Could	Kemampuan/kemungkinan masa lampau (past ability), permintaan yang lebih sopan & formal [cite: 54].	I could swim when I was 5 / Could you tell me where the bank is? [cite: 54]
Be Able To	Menyatakan kemampuan/skill spesifik, dapat digunakan dalam berbagai pilihan tense [cite: 54].	I am able to swim / She is not able to drive [cite: 54].

3. Stating Preferences (Menyatakan Pilihan)

Digunakan untuk menyatakan pilihan atau sesuatu yang lebih disukai dibandingkan hal lainnya [cite: 54].

1. PREFER:

- Subject + prefer(s) + V-ing + to + V-ing [cite: 54] → I prefer reading to watching TV [cite: 54].
- Subject + prefer(s) + to + V1 + rather than + V1 [cite: 54] → I prefer to walk rather than take the bus [cite: 54].
- Prefer + Noun + to + Noun → I prefer tea to coffee [cite: 54].

2. WOULD RATHER ('d rather):

- Subject + would rather + V1 + than + V1 (Langsung V1 tanpa 'to') [cite: 54].
→ I would rather stay home than go out / I'd rather sleep than study [cite: 54].

3. WOULD PREFER:

- Subject + would prefer + to + V1 + rather than + V1 [cite: 54].
→ I would prefer to stay home rather than go out [cite: 54].
