Comprehensive Grammar & Structure Guide: Enough/Too/Very/So, Must vs Have To, Determiners, Personal Letters, & Requests

## PART 1

### Adverbs: Enough, Too, Very, So

#### ENOUGH & TOO

- **ENOUGH:** Artinya "hampir mencukupi" [cite: 57]. Digunakan *setelah* kata sifat (adjectives) dan kata keterangan (adverbs), serta biasanya *sebelum* kata benda (nouns) [cite: 57]. Bisa pola enough... for (people/things) dan enough... to + infinitive [cite: 57].
- **TOO:** Berarti "lebih dari yang diinginkan" atau melebihi cukup [cite: 57]. Bisa diikuti for atau pola too... to + infinitive [cite: 57].

#### VERY & SO

- **VERY:** Sesuatu yang dilakukan dengan frekuensi tinggi, biasanya bermakna positif [cite: 57]. Diiuti adverbs/adjectives [cite: 57].
- **SO:**
  - So + Adj : artinya "begitu" [cite: 57].
  - So + Adj + That : menyatakan sebab-akibat (cause & effect) [cite: 57].
  - So (that) : menyatakan tujuan (purpose) [cite: 57].  
*Exp: We stayed out all night so (that) we could watch a meteor storm [cite: 57].*

## PART 2

### Must and Have To — Necessity

Merupakan *modal verbs* yang bermakna keharusan/keniscayaan (necessity) [cite: 57]. *Contoh: I have to go home now / I must arrive by 12.00 [cite: 57].*

- **Penggunaan Must:** Menyatakan keyakinan terhadap suatu hal (*She is rich. She must have a lot of money*) [cite: 57]. Bentuk negatifnya adalah must not / mustn't [cite: 57]. Digunakan untuk menyatakan sesuatu yang wajib dilakukan [cite: 57].

| Fitur                            | MUST                                                                                                                                    | HAVE TO                                                                                                                                      |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Dasar Keharusan</b>           | Menyatakan pendapat berdasarkan <b>penilaian pribadi</b> [cite: 57].<br><i>'You must study hard.' (I say it's necessary) [cite: 57]</i> | Menyatakan keharusan berdasarkan <b>aturan / kenyataan luar</b> [cite: 57].<br><i>'I have to work.' (Rule says working hours) [cite: 57]</i> |
| <b>Bentuk Lampau &amp; Tanya</b> | Tidak memiliki bentuk lampau [cite: 57].                                                                                                | Bentuk lampau menggunakan had to [cite: 57]. Kalimat tanya menggunakan kata kerja bantu (auxiliary) [cite: 57].                              |

## PART 3

### Determiners: Both, Either, Neither, and All

- **BOTH:** Menerangkan dua buah benda/orang [cite: 57]. Digunakan dengan kata benda jamak (plural noun), dua kata benda dihubungkan dengan *and*, atau posisi *of* sebelum plural noun/object pronoun [cite: 57].

- **EITHER & NEITHER:** Membicarakan dua hal [cite: 57]. *Either* untuk kalimat positif, *Neither* untuk kalimat negatif [cite: 57]. Sebagai subjek biasanya menggunakan kata kerja tunggal (singular verb) [cite: 57].
- **ALL:** Merujuk pada 3 atau lebih kata benda (countable/uncountable) [cite: 57]. Jika diikuti plural noun → verb jamak; jika diikuti uncountable noun → verb tunggal [cite: 57]. Kalimat negatif: not all + noun + affirmative verb (Exp: *Not all birds can sing*) [cite: 57]. Penggunaan: *All children need love* / *All (of) the lights were out* / *All of us love music* / *They all came* [cite: 57].

## PART 4 & 5

### Personal Letters & Imperatives / Polite Requests

#### 1. Structure of Personal Letters

- **Heading:** Alamat pengirim (2 baris) & tanggal [cite: 57]. (*123 Main St. West Newfield CT 06123, December 14, 2007*) [cite: 57].
- **Greeting:** Sapaan diakhiri koma (Formal: *Dear Uncle Jim* | Informal: *Hi Joe,*) [cite: 57].
- **Body:** Isi utama surat dengan paragraf menjorok (indented) atau spasi ganda [cite: 57].
- **Close & Signature:** Salam penutup menjorok, diawali kapital, diakhiri koma & tanda tangan (*Truly yours, Margaret Fong*) [cite: 57].

#### 2. Imperatives & Polite Requests

Bentuk kalimat kata kerja tanpa subjek tersurat (subjek tersirat = *you*) [cite: 57]. Digunakan untuk orders, instructions, advice, invitations, notices, dan recommendations [cite: 57].

**Fungsi Imperatives:** Direct order (*Take that chewing gum out!*), Instructions (*Take two tablets*), Invitation (*Come in and sit down*), Notices (*Push / Do not use*), Suggestions (*See the doctor*) [cite: 29, 57]. Gunakan kata *Do* di awal agar lebih sopan (*Do be quiet / Do sit down*) [cite: 29, 57].

| Type Request              | Pola Modal / Frasa                                                                                          | Contoh Kalimat & Catatan Modal                                                                  |
|---------------------------|-------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|
| <b>Polite Request (+)</b> | Tambah <i>please</i> / Gunakan <i>Will</i> / <i>Would</i> / <i>Could</i> / <i>Can you...</i> [cite: 29, 57] | <i>Will you please help me?</i> / <i>Could you open the door, please?</i> [cite: 29, 57]        |
| <b>Polite Request (-)</b> | <i>Will you please not...</i> / <i>Would you mind not + V-ing...</i> [cite: 29, 57]                         | <i>Would you mind not smoking?</i> / <i>Could you not open the door, please?</i> [cite: 29, 57] |
| <b>Asking Permission</b>  | <i>Can I...</i> / <i>Could I...</i> / <i>May I...</i> [cite: 29, 57]                                        | <i>Can I use your computer, please?</i> / <i>Could I borrow some money?</i> [cite: 29, 57]      |

#### Catatan Penggunaan Modal & Respon:

- *Could/Can* + Verb tanpa *to* [cite: 29, 57].
- *Would you mind* + Verb-ing [cite: 29, 57].
- *Do you mind if* + Base form, tetapi *Would you mind if* + Past verb [cite: 29, 57].
- *May & Might* lebih sopan dibanding *can* [cite: 29, 57].
- **Respon Positif:** *Certainly, Sure, O.K., Of course, All right, I'll be happy to* [cite: 29, 57].
